

## Maxwell Certification Program for Students (V3)

Our aim is to give students access to non-commercial software at no cost for one year, helping them to become professional users in the future. A Certification Program Student license is good for one year from the date of issue. A Certification Program Student license is exclusively for learning purposes. Using this license for commercial purposes is not permitted.

### Instructions for Faculty:

- Faculty will request unique **Student License Retrieval Codes** for their students by emailing Academic Computing Facilities at [acf-labs@pratt.edu](mailto:acf-labs@pratt.edu) with “**Student License Retrieval Code**” in the subject line providing the following info:
  - Faculty full name
  - Faculty email
  - Course title and section #
  - Number of codes requested

*\*\*\* Please always use your Pratt email for all Pratt related communication\*\*\**

- Faculty will distribute the unique **Student License Retrieval Codes** to their students.

### Instructions for Students:

- Students will receive their unique **Student License Retrieval Code** from their faculty
- Students will use their unique **Student License Retrieval Code** to register [here](#).
- After submitting the form, they will receive 2 emails:
  - Their Next Limit customer gateway login information (for downloading Maxwell and the included [3D/CAD application plugins](#))
  - Maxwell Render V3 *Node Locked* license for one computer. The license will expire exactly one year from the date of submitting the form.
